RULES FOR THE ELECTIVES FOR ALL YEARS

1. Every student must take **18** electives to complete the program.
2. At least **11** of the electives must be departmental electives.
3. The **MAXIMUM** number of non-departmental electives is 7, of which maximum 4 can be taken from out-of-faculty departments.
4. Out-of-department electives should bear credit values.
5. If the student's advisor lets him/her take more electives than successfully completed 18 electives, they should be taken under **NOT INCLUDED** category.
6. All students are responsible to fulfill these requirements and complete a total of 40 credited courses (must and elective) to graduate.
