(*): Starting from the 2026–27 Fall Semester, MATH119 will be considered equivalent to MATH117, and MATH120 to MATH118. Students planning to pursue graduate studies in Economics are advised to take MATH119 and MATH120 under this equivalency.

RULES FOR THE ELECTIVES FOR ALL YEARS

1. Every student must take 18 electives to complete the program.
2. At least 11 of the electives must be departmental electives.
3. The MAXIMUM number of non-departmental electives is 7, of which maximum 4 can be taken from out-of-faculty departments.
4. Out-of-department electives should bear credit values.
5. Any electives taken (with advisor approval) over the maximum (18 electives) should be taken under NOT INCLUDED category.
6. All students are responsible to fulfill these requirements and complete a total of 40 credited courses (must and elective) to graduate.
7. Vocational School courses (with TKPR and ENEL codes) are not accepted as elective courses.
